1. Please outline the proposed activities or project and attach documents that will assist us to understand your project — the proposed content, scope and intended outcomes.

Please tick a box if your project is relevant to:

- Migration history
  - Agricultural collections
  - Dress collections
  - Historic photo collections
  - Macquarie 2010 Bicentenary Celebrations
- 

2. Please tick the proposed activities

- Internship (please complete additional form)
- Staff placement (please complete additional form)
- Collection loan
- Workshop
- Site visit
- Expert advice
- Exhibition development
- Education and Public programs
- Heritage event participation
- Other (please describe)

Please give further detail, if possible on how you think we can most effectively assist your project.

---

3. How will the activities benefit your organisation?

---

4. Please indicate the preferred timing for the activities

---

5. Please give an outline of the resources, financial or in kind, available for your project and details of any sponsorship or support for your project from other government or business organisations. Please note in 2010 it will be necessary, in most instances, for the costs incurred with site visits (travel and accommodation) to be met by the applicant.
