

THE DISCOVERY MEMBERSHIP

The Powerhouse Discovery Centre is a 'first of its kind' facility bringing an exciting new experience to the communities of Sydney's west and beyond.

By partnering with the Powerhouse Discovery Centre, Integral will be helping people visualise their future by drawing on the strength of Australia's past.

These benefits are also provided to Corporate Members at higher levels of the program.

The Powerhouse Discovery Centre is the Museum's off-site collection storage facility. Like most museums, only a small percentage of the collection is on display at any one time. With the opening of the Powerhouse Discovery Centre, which houses 40% of the Powerhouse collection (by volume), public access to the collection will be significantly increased.

The Powerhouse Discovery Centre's mission is to provide world standard museum storage facilities for the collection that are publicly accessible to diverse audiences through a range of tailored 'behind-the-scenes' access programs.
